"There are None So Blind as Those Who Will Not See."

There are some people who cannot be convinced that white is white and black is black, because they are determined to have their own way about it. Very good. Such people go through life missing the great truths and the greatest happiness as well as comfort. There are others again who are convinceable. It is to the men of this class that we like to talk about the merits of our clothing.

They are better than nine-tenths of the made-to-measure clothes turned out in this city and the equal of the other tenth.

Alfred Benjamin & Co.'s clothes cost about half the price of made to order clothes and have every desirable attribute of the very best made to measure garments, besides embodying many unmatchable features strictly their own. That is why we say investigate the merits of the clothes bearing this label before going to a tailor. You risk nothing and stand to win a lot.

THE BEACH HOTEL

Manager Clough Arrived on the Mariposa.

New Company Organized With Capital of One Hundred Thousand Dollars—List of Officers.

Among the passengers who arrived yesterday by the Mariposa was Jas. Clough of San Francisco. Mr. Clough comes to take the active management of the proposed Waikiki hotel. He comes with a sterling record, having for the past eighteen years been connected with the best known hotels on the Pacific coast. The greater part of that time he spent as manager of Del Monte, the superb, famed the world over. He has also been connected in recent years with the Palace and Baldwin hotels of San Francisco.

"I think that the Beach Hotel should prove a great success," said Mr. Clough. "Travel to Honolulu is nothing new compared to what it will be in the future, and yet the accommodations are taxed. I have been out to your beautiful Waikiki and think that no more suitable place for a complete, up-to-date hostelry could be found."

Everything is now ready for active work on the project. The plans will be out of Architect Traphagen's hands in a few days. They will be substantially the same as were described in the Advertiser when the new enterprise was first started. The articles of incorporation will be filed shortly, with a capitalization of \$100,000, all of which is subscribed. The officers will be: W. C. Peacock, president; J. H. Soper, vice-president; J. G. Rothwell, secretary and treasurer; T. F. Lansing, auditor.

Mr. Rothwell, upon whom most of the preliminary work has devolved, asserts that before many days the doors of an all-around first-class beach hotel will be thrown open to the people of Honolulu.

CLAUS SPRECKELS.

Has Bought Some Mud and Gore Into a New Business.

"How's your electrical plant getting along?" was asked yesterday of one of the engineers engaged in establishing the works with which Claus Spreckels is going to get even on Joseph Crockett for telling him to go to the devil.

"The works are all right, but Mr. Spreckels has had to branch out into a new business again. He is going to set up a terra cotta plant across the bay."

"What is that for?"
"Oh, when Gladding, McBean & Co. and the other terra cotta men found that Mr. Spreckels would require some miles of terra cotta conduits for his electric wires they put the price up on him. He didn't like that and said so; but they were tippy and thought they had him. He figured on getting the stuff from the East, but that wouldn't do. So he said to those terra cotta fellows:

"Very well; keep your terra cotta. You can make it; so can I. I'll buy some mud and go into the business myself. And that's just what he has arranged to do."—San Francisco Examiner.

The Sugar Fleet.

The arrival of the sugar fleet from the Hawaiian Islands, most of which is now long overdue, is being awaited with considerable anxiety. The Lurline came in Sunday, twenty-six days out of Kahului, with 9500 bags of sugar. She was docked at Oakland yesterday. Her captain reported that his delay was caused by the lightest winds that he ever met on the run. He went 450 miles to the north of this port to take advantage of the north-westerly winds. The following sugar-laden vessels are now overdue: From Hilo, the bark Santiago, 31 days out; the barkentine Archer, 26 days. From Honolulu, the barks Mohegan, 30 days; Bendixsen, 27 days; Irmgard, 24 days; Robert Sudden, 19 days; Himalaya, 17 days; the barkentine Planter, 19 days; the ships Standard, 26 days; Aryan, 24 days; the schooner Aloha, 21 days; the brig W. G. Irwin, 20 days. From Kahului, the schooner William Bowden, 24 days; the barkentine Wrestler, 17 days.—S. F. Chronicle July 12.

On an Assigned Claim.

Deputy Marshal Chillingworth has made return of service of summons on T. B. Murray in an action brought by J. A. Magoon on a claim of Holt Brothers Company, a foreign corporation, assigned to him amounting to \$620.17 and interest from January 1, 1899.

It has been decided that army transports going to Manila shall be armed with six-pound repeating rifles to guard against possible surprise in Philippine waters.

ITCHINESS OF THE SKIN.

Everybody has their hour of trouble. But people having any irritation of the skin. Have many hours of trouble. Nothing so annoying, nothing so irritating. It is a hard and trying position. Leave it alone and you can hardly bear the misery. Relief and cure have come at last. Melbourne has put it to the test. Doan's Ointment cures every form of skin irritation. People at home are learning that this is so.

Here is proof in a statement: Mr. William Preston has been a resident of Victoria for over half a century and therefore will be known to many of our readers. Mr. Preston is at present residing at No. 68 Argyle St. St. Kilda. He says: "For some considerable time I have been troubled with Eczema on my legs. The irritation at times was very great especially at night, and it caused me considerable annoyance. I obtained a pot of Doan's Ointment and I must say that it allayed the irritation almost immediately. Doan's Ointment is a good remedy and I can highly recommend it for Eczema."

Doan's Ointment is splendid in all diseases of the skin, eczema, piles, hives, insect bites, sores, chilblains, etc. It is perfectly safe and very effective.

Very frequently two or three boxes have made a complete cure of chronic cases that have not yielded to other remedies for years.

Doan's Ointment is sold by all chemists and storekeepers at 50 cents per box (six boxes \$2.50) or will be mailed on receipt of price by the Hollister Drug Co., Agents for the Hawaiian Islands.

HE IS TIRED OF IT.

Captain Dyer Indulges in Strong Talk.

BOSTON, July 11.—In a recent interview Captain N. Mayo Dyer, who commanded the Baltimore at Manila bay, deprecated the work of the anti-imperialists and Erving Winslow, secretary of the Anti-imperialist League, wrote him an insulting letter. He charged that the Army and Navy were inculcating a martial spirit that threatened civil liberty. Here is Dyer's reply:

"Winslow ought to be denounced as a traitor to his country for writing such a letter. Any one who will deliberately oppose and try to prevent the work of the army and navy of his country is as low in my estimation as though he were to deliberately take up arms against his country, and should be taken in hand at once."

"The American soldiers are enduring enough perils and hardships in the Philippines without being derided and denounced by a few Boston cranks who have taken it into their heads that the Administration is carrying on the campaign for the fun of the thing. Senator Mason says that the war is being carried on without the sanction of Congress. What does this gentleman think our Nation would be if we were attacked by a European power? Does he think the President would wait till Congress had assembled? I am tired of this rot about imperialism."

Appeal Papers Filed.

Appeal papers in cases entitled H. H. Parker vs. Palea, H. H. Parker vs. E. K. Bull, John Bell vs. Palea, P. Pahia vs. Palea, William Henry vs. Palea and Molke Akawa vs. J. K.
